6 Listing on crypto exchanges

# Working With Us

## TIME DIFFERENCE

The lights are always on at ICODA, we have customers from all around the world and we adapt to our customers needs, normally we only need to overlap a couple of hours each day.

## COMMUNICATION

We have been in business for a long time and know what questions to ask. We stay connected via Skype, Whatsapp, Phone, Email... ect, throughout the process leaving nothing to the imagination.

## RATES

Belarus is a well developed country but our cost of living is much cheaper than that of the USA, Europe, Canada and Asia. This allows us to offer the same services and professionalism as a firm in your country, but at a cheaper cost.

## REMOTE

Hiring any employee runs a great risk and then you have to make sure you keep them busy. Instead of paying a full-time employee, just pay us when you need us or keep us on a low retainer. We focus on the your tasks, and you focus on what you do best.

## THE GUARANTEE

We are a partner with a reputations to uphold. We stand behind our work and will work hard to make sure you are satisfied.

# Web Development
